Re: Cable Television Rate Regulation  
MM Docket No. 92-266,  
Petition for Stay

Dear Ms Searcy:

On Friday, June 4, 1993, InterMedia Partners ("InterMedia") filed a Petition for Stay of the above-referenced proceeding. Under Section 1.45(d) of the Commission's rules, interested parties must file responses to InterMedia's petition no later than Friday, June 11, 1993. InterMedia respectfully requests that the Commission act on this petition by Tuesday, June 15 so that InterMedia may, if necessary, seek appropriate judicial relief prior to June 21, 1993.

In addition, on or before June 21, InterMedia is required to notify its 600,000 subscribers regarding tier realignments, channel changes, and rate adjustments. While the Commission will permit cable operators to accomplish this notice requirement by newspaper and cable video publication, InterMedia submits that this approach is inefficient and will not guarantee that subscribers receive actual and timely notice. Moreover, video publication is impossible to accomplish by June 21 in any event given the numerous headend facilities in InterMedia's operations.
